

Competitor Data Conversion Module

Contract Collector can import the data from your old loan servicing software into your new Contract Collector software. This process can save days of work reentering all of your Clients, Portfolios, Vendors and Contracts. This is a quick and easy process, and a must for busy manager who don't have the time to enter setup data manually.

Call our Product and Information department at **(888) 344-EDGE** or **(509) 852-8000** to get more information on Contract Collector Competitor Data Conversion Module.

* Requires your old Servicing System to export its data into ASCII file or Spreadsheet file format.
